Foundation

## Danish Arts Foundation's International Visual Arts Funding programmes

### Danish artists, invited to exhibit abroad

Danish artists invited to exhibit abroad can personally apply for production costs related to new works, exhibition costs, and artist fee. Additionally *either* the foreign exhibition venue *or* the Danish artist/s can apply for transport of works and artists' travel and accommodation connected to the installation and opening.

- Four annual deadlines, answer after ca. 8 weeks.
- Programme: [Værkproduktion og udstillinger](#)
- Guidelines for applying and criteria for funding are described (in Danish) in detail online.

### Foreign exhibition venues exhibiting Danish artists

Foreign exhibition venues can apply for transport of art works and Danish artists' travel and accommodation connected to the installation and opening.

Limited support for publications may also be applied for.

- Four annual deadlines, answer after ca. 8 weeks.
- Programme: [Exhibition of Danish Art Abroad](#)
- Guidelines for applying and criteria for funding are described in detail online.

### Foreign artists, invited to exhibit in Denmark

Foreign artists, who are invited to exhibit in Denmark, may receive funding; not for work production, but for i.e. travel and accommodation related to installation and exhibition opening. In these cases, the Danish exhibition venue must apply for funding on behalf of the foreign artist.

Additionally: If the foreign artist is to produce a site-specific work at the Danish exhibition venue, the *venue* may apply for a production fee to the foreign artist and for the foreign artists' accommodation in Denmark during production of the site-specific work.

- Four annual deadlines, answer after ca. 8 weeks.
- Programme: [Værkproduktion og udstillinger](#)
- Guidelines for applying and criteria for funding are described (in Danish) in detail online.

### Foreign curators, who wish to meet Danish artists in research for future exhibitions

Foreign curators, who wish to carry out curatorial research among Danish contemporary artists and institutions, may apply for funding for travel and accommodation.

- The deadline is continuous. Answer ca. 14 days after.
- Programme: [The International research programme](#)
- Guidelines for applying and criteria for funding are described in detail online.

### Danish artists invited to artists' residencies abroad

Danish artists can apply for residency programme expenses, stipend, travel expenses, and housing expenses.

- The deadline is continuous. Answer after 3 weeks.
- Programme: [Ophold på udenlandske residencies](#)
- Guidelines for applying and criteria for funding are described in (in Danish) detail online.

## Residency opportunities in Denmark for foreign artists

### MALT AIR

The Danish Arts Foundation has funded the international residency MALT AIR in the period 2019-2020. The Residency is located in Ebeltøft, Jutland and operates at a high artistic level.

- Web: [maltair.dk/apply](http://maltair.dk/apply) – next open call January 2020
- Guidelines for applying and criteria for funding are described in detail online at [maltair.dk/apply](http://maltair.dk/apply)

### Danish Art Workshops (DAW)

DAW in Copenhagen has outstanding facilities and offer residencies to foreign artists however to apply you must have an exhibition in DK, to work towards.

- Web: [svfk.dk/en/residency](http://svfk.dk/en/residency)

### World Wide Air (WWA)

World Wide Air (WWA) is a residency run by the Factory for Art and Design in Copenhagen. They offer residency programmes typically of 3-4 months duration.

- Web: <http://ffkd.dk/old/node/101>.

*(Note: Their website is down / under development, but they expect to publish an open call in the spring of 2020. Stay up to date by following them on Facebook:*

*[facebook.com/FABRIKKENSfanside](https://www.facebook.com/FABRIKKENSfanside) )*

### Hollufgård Artist Residence

Located in the countryside in Fuen Hollufgaard offers a 1-year residency program for two visual artists working experimentally with the concept of sculpture.

- Facebook: [facebook.com/HollufgaardArtistResidence](https://www.facebook.com/HollufgaardArtistResidence)
- Web: [gah.dk](http://gah.dk)

### Riddergade AIR 2020

Located in Viborg, mid-Jutland Viborg Kunsthall offer residency programmes typically of 3-4 months duration.

Web: [viborgkunsthall.viborg.dk](http://viborgkunsthall.viborg.dk)

Please note, that the Danish Arts Foundation is only involved in the residencies above in terms of funding. All decisions for awarding of a residency in any of these places are made exclusively by the individual venues. All of the residencies operate with regular open calls. Please stay informed via their webpages and direct any questions directly to them.
